Dear Mr. Guarnieri,

On behalf of the Board, Staff, and Participants of Modest Community Services, we would like to extend a heartfelt thank you for your generous donation of \$200 for our 2023 “Together We Can Make Miracles Happen” Gala that was held on Friday, October 20, 2023, at Li Greci’s Staaten.

These programs are designed so that they may reach a maximum level of independence and integration into their communities and society at large through prevocational training, internships, supported employment, and social/recreational activities.

Your contribution will enable us to continue to provide the vital programs and services our participants need to become more independent, learn valuable skills, and be able to integrate into their communities.

You can also take pride in knowing that you have made a difference in the lives of some very “special people”.

Dear Friends,

On behalf of the Joan & Alan Bernikow JCC of Staten Island and the thousands of children we serve...thank you for your generous donation of \$200 as a Sponsor to our 43rd Annual Golf & Tennis Classic. The event was held on Monday, July 24, 2023 for the benefit of the Isador Aberlin/Ed Rovner Scholarship Fund.

The money raised at this event allowed us to award camp and day care scholarships to children who are seriously in need, including Ukrainian children and children with special needs. These scholarships offered them a joyous and safe summer at no cost to their families. Your support *directly* impacted Staten Island families who need our help the most. Since the inception of this event, and the generosity of our donors, to date, we have been able to give more than \$2,150,000 in scholarships.

We are most grateful for your support of our organization and our goal of meeting the needs of the children living on Staten Island.

Sincerely,
